Information on BYD HVS+/HVM+ compatibility

Dear business partners,

We are pleased to inform you that the Fronius Primo GEN24 Plus, Symo GEN24 Plus, and Verto Plus inverters are now compatible with the BYD Battery-Box HVM+ and HVS+.

Detailed Compatibility

Most HVM+ and HVS+ variants are compatible with the Fronius Primo GEN24 Plus, Symo GEN24 Plus, and Verto Plus inverters. Exceptions include the HVM+ 8.3, which is not compatible with any of our inverters. The HVS+ 10.2, HVS+ 12.8, and HVM+ 22.1 are not compatible with the Primo GEN24 Plus.
